COFFEE ROASTERS

सांझ

Coffee for the golden hour.

02 / LOGO SYSTEM

One sun, one cup, many surfaces.

The mark is the sun setting into a cup — the moment the day slows down.

MARK · ON KESAR

On kesar, the sun turns chai-milk.

Roast or Twilight only — kraft bags, rubber stamps, laser etch.

CLEAR SPACE

x = sun radius. Keep this zone free of text and edges.

COFFEE ROASTERS

BRAND GUIDELINES · V1.0 · 2026

Coffee for the golden hour.

सांझ (saanjh) is the Hindi word for dusk — the hour the city exhales. Everything we make should feel like that hour: warm, slow, a little golden.

01 — ESSENCE

A neighbourhood roastery for the end of the day.

Unhurried
Slow bar, no rush.

Warm
Regulars by name.

Crafted
Roasted in-house.

02 — VOICE

Talk like a friend at sunset.

Say “Pull up a chair. The Monsoon pour-over is ready when you are.”

Not “Hurry! Limited-time offer on premium artisanal beverages!!”

Short sentences. Lowercase brand name. No exclamation marks, no jargon.

03 — LOGO
